

## GIARDINA 12-16 MARCH 2025

### Creative garden design with the right technology.

Claudio Spitznagel, Account Manager

**We support you in planning and designing the garden, with technology and innovative ideas for lasting experiences.**

As a Giardina specialist, we are at your side with our many years of experience and know-how.

We will be delighted to make you an offer for:

- stylish lighting of all kinds
- discreet sound solutions
- high-resolution flat screen monitors
- complex technical installations

Even in the digital age, trade fairs, shows and conferences remain an important showcase for companies and their brands. Winkler Livecom supports successful fair presentations from technical planning to technical support during the fair.
